18 May 2021

Dear Parents/Guardians,

With the sharp increase in the number of community cases, including the spike in unlinked cases today, there is a need to reduce interactions and avoid the risk of large clusters. As such, the Ministry of Education (MOE) will be stepping up precautionary measures to safeguard the well-being of all students and staff.

1. **Full Home-Based Learning (HBL) from 19 to 28 May**

All primary, secondary, junior college (JC) and Millennia Institute (MI) students will shift to full Home-Based Learning (HBL) from 19 May 2021 (Wednesday) till end of the term on 28 May 2021 (Friday). During the full HBL phase, we will provide instructions and support for students to access a range of both online and hardcopy HBL materials, so that learning continues uninterrupted. The Singapore Student Learning Space (SLS) platform will continue to be accessible to students. The HBL time-table is attached for your information.

In the event that your child/ward face difficulties in accessing SLS, he/she can

- contact the Form Teachers OR
- call or email the following helplines

Email: nls@moe.edu.sg	Email: helpdesk@sls.ufinity.com

On the days of HBL, please ensure that your child stays at home and continues to observe good hygiene practices such as washing their hands frequently with soap. If he/she feels unwell, please seek medical attention promptly and inform his/her form teacher if he/she displays any fever or flu-like symptoms.

School will remain open for students who require additional support during this period. Students who do not have wifi support at home to carry out learning from home and those who need guidance in their learning are to return to school during the full HBL period. The respective form-teachers will inform you if your child has been identified to return to school during this period. Students who are able to learn independently but lack a learning device could borrow one from the school. Teachers and school personnel will keep in regular contact with students to provide support this period.

2. Postponement of Year 1-3 Mid-Year Assessments

As a result of the full HBL, the Year 1 to 3 Mid-Year Assessments has been postponed to 6 and 7 July in term 3. Marking Day will fall on 9 Jul (Friday). More details will be provided in Term 3 when school re-opens.

3. June Holiday from 31 May to 25 June

After full HBL ends on 28 May, students will have 4 weeks of school holidays and they are expected to return to school on 28 June 2021 (Monday). During the school holiday, it is important that students should try to stay home, avoid crowded places and keep to socialising within immediate family.

We can all play our part by keeping ourselves, our family and the community safe. Thank you.

Together we can overcome this. Stay safe!
